LIQUOR

Our liquor licence is from 8.00am till 2.00am.

We have access to a large selection of wines and beers via our supplier networks.

We can work together to source your wine of choice. We partner with several local breweries and can arrange an exceptional selection of beers for your group, including beer on tap.

If you're looking for something else to drink, then chat to our café manager.

We are open to the public everyday until 4.00pm, but we are all yours any time after this. However, a day rate can also be negotiated.

FIRE SAFETY

We can fit up to 140 people. In the event of a fire, the fire exits are through the front door or dock way to the side of the café.
